Dear Sir:-

I have your favor of the 22nd inst., notifying me of my election to resident membership in your society.

I was not aware that any intention existed of nominating me to membership, and I cannot yet say whether I desire to continue a resident member or become a life member.

At this time I accept the election to resident membership, and enclose my check for \$20.00 in payment of the initiation fee and annual dues. Is my understanding, that I can within sixty days signify my desire to become a life member, correct?

Can I also enquire whether the rooms of the society are open at all hours?

Yours very truly,

P

My dear Mr Pryer

The Proceedings are delivered
at the Rooms of the Society.

I have counted them and all
is O.K. as far as I can see
so I have approved the bill.

Please pay same soon, as I know
Bacon & Co. will be very glad
to get the money, for with the
many necessary changes and
corrections it has been a long
and slow job for them.

I have returned to the city, but
unfortunately my wife is not
at all well. Her father died
suddenly a fortnight ago and

the shock has been bad for her.

Can you give me an idea by the bills of a year ago as to how much I spent for stamps as I should like to get an idea of how many copies we sent out. The postage will be a little more (larger book) and I want to know how many stamps to get.

We can then all meet at ^{some evening convenient to you} the rooms, and get them ready to send out.

Did I order large envelopes last year or two years ago and how much did they cost. For if two years ago I will ^{have to} get 500 more.

Hoping both Mrs Pryer and yourself are quite well I remain, with kindest regards

Yours of 9th rec^d and having nothing better to do concluded to answer it -

I was at the Societys Room this morn and found Mr Valentine busy. There were no letters or Circulars there for you -

As I understand the Societys funds are in the Tradesmens Bank and as I have every reason to believe it would be some time before you get the money (altho I believe it to be safe) I would suggest if you require to use any money you can get a credit of $\frac{3}{4}^{th}$ of the amt by opening an acct in the New York Natl Exchange Bank cor W Broadway + Chambers St. I will take pleasure in introducing you if you desire it
